Allergies and Medication

Parents of children with allergies of any kind must provide in writing via the Annual Recess Enrollment and during sign in to The Abington Club Recess Staff drop-off. We suggest that parents provide a snack and/or drink for children with food allergies. Please provide us with any medication (Epi-pens) needed to respond to an allergic reaction. We make every attempt to offer snacks that do not contain allergens; however, we cannot guarantee that all food provided is allergy free. 1910 bar & Grille offers Gluten Free pizza crust. We do our best to keep food separate for those with gluten allergies, however it is a small and shared workspace. We can not guarantee with 100% certainty that there will be no cross contamination with other gluten containing foods.

Parents who have children with special needs, 504 Plans, disabilities, and / or any special accommodations must notify Recess Program staff upon drop-off.
